Product Overview

With an extra-long wheel base to provide exceptional stability, its slide-action leg lock securely locks both sets of legs simultaneously when folded. With its legs folded and locked, it can be used as a two-wheeled stretcher. Stair glides reduce wear on the cot and promote smooth movement down stairs. The cot is also wide enough to accommodate a portable stretcher. Comes complete with a Ferno Model 372 one-inch burgundy mattress and two Model 430 five-foot-long, two-piece, black quick-release restraint straps. Other accessories are available.

Key Features

- Extra long wheel base for stability
- Slide action leg lock
- Can be used as two-wheeled stretcher
- Stair glides reduce wear and tear

Model 414-OL Over-The-Lap Restraints

Over-The-Lap Wrist Restraints fasten to both sides of the cot frame and hold the patient's wrists on the lap. Each side is adjustable so the patient's wrists can be centered over the midline of the body. Wrists are secured independently by hook-and-loop closures. Made of 2" nylon webbing and chrome-plated hardware. The main strap is 68" (173 cm), and the wrist straps are 15" (39 cm). Available in orange and burgundy.

Product Model 414-OL Over-The-Lap Restraints, Orange **SKU** 0312320

Model 414-R Wrist Restraints – Cot Sidearm

When fastened to the side frame, this restraint holds the patient's wrist securely to the top of the side frame. Made of 2" wide nylon webbing, the restraints come as a pair in orange or burgundy.

Product Model 414-R Wrist Restraints – Cot Sidearm, Orange **SKU** 0312310

Model 414-AR Ankle Restraints

Ferno's Ankle Restraints fasten to both sides of the cot frame to hold the patient's ankles securely in place. Independent restraints allow each leg to be individually secured or released from the hook-and-loop closures. Constructed of 2" nylon webbing. Restraints are 41" (104 cm) long. Available in orange and burgundy.

Product Model 415-AR Ankle Restraints, Orange **SKU** 0312330

Model 430 Two-Piece Restraints

These restraints are made of 2" nylon webbing with quick-release, automotive type, chrome-plated metal buckles that resist rust and corrosion. Push-button operation allows secure fastening and easy release. Hemmed tab prevents strap from being pulled free of buckle. Available in black only. Available in either 5' or 7' lengths.

Product Model 430, 5' Two-Piece Restraints, Black **SKU** 0313892
Model 430, 7' Two-Piece Restraints, Black **SKU** 0313911

Model 5 Mortuary Fastener

This fastener is permanently mounted to floor plates to secure cots and stretchers, including the Models 23, 24, 24H, 24-MAXX®, 24-MiniMAXX® and 27-1 Series. Thumbscrews permit easy installation and removal. The rear-fastener hook stores flat when not in use and rotates up to fasten as a ratchet mechanism when needed. Specify your stretcher model when ordering. Not for use in crash-stable applications.

Crypton® Fabrics

Ferno Covers and Pouches are now made with patented Crypton® Aria and Suede. Every fiber is encapsulated with a stain, odor and bacteria-resistant barrier. The breathable moisture barrier is permanently integrated into the fabric, ensuring a complete and proven performance system from the fibers up. Nothing can penetrate the fibers or the barrier. The Aria and Suede may be spot cleaned or machine washed when excessively soiled.

Model 101-H Hydraulic Operating Table

Product Overview

Allows quick height and angle adjustments using the three foot pedals. Either end of the table may be raised or lowered to any position between 28½" and 40½" above the floor for easy preparation from a standing or sitting position. The table top is convex to drain fluids away from the body and an extra-deep trough runs the perimeter of the table, reducing the need for splash guards. A drain in the center of the foot end quickly eliminates fluids from the table. Four 8" swivel wheels lock instantly with a single foot pedal or one set of wheels locks directionally for easy rolling. Type 304 stainless steel with a 3 finish ensures easy maintenance and a solid surface base eliminates crevices where liquids can accumulate.

Key Features

- Three foot pedals for quick height and angle adjustments
- Convex table top to drain fluids away from body
- Extra-deep trough reduces need for splash guards
- Center drain at foot end to eliminate fluids
- Four wheels lock instantly with a single foot pedal
- 304 stainless steel ensure's ease of maintenance

Side Extension Panels (SEP)
SEP (each) 0695796

Product Overview

A true combination table, ideal for embalming, dressing and transferring. An exclusive, one-hand release easily adjusts either end of the table from 32½" to 38½" with the ends being independently adjustable. The table is constructed of a stainless steel top with a convex surface, tubular aluminum frame, and 6" wheels with ball bearings. The swivel wheels lock to keep the table stationary while in use. The drain, located in the center of the foot end, quickly eliminates fluid from the table. Folds for storage when not in use and can stand on one end for storage behind a door or in a closet.

Key Features

- Combination table for embalming, dressing and transferring
- Exclusive one-hand release for adjustments
- Stainless steel top
- Folds for storage

Cemetery Church Truck

Features & Accessories

Folds Compactly

8" Pneumatic Wheels

Product Overview

Made of strong, rectangular aluminum tubing, featuring a protective gloss-anodized finish, keeps the truck looking new and makes it easy to clean. The stable x-frame undercarriage and rubber bumpers help secure the casket. Large, eight-inch pneumatic wheels roll easily over grass or rough terrain. With four swivel wheels allowing for greater maneuverability and two wheel locks. When moved without a casket a special built-in center handle allows the truck to be pushed, pulled or carried. Includes four side handles for lifting over curbs.

The Cemetery Church Truck locks into four positions, allowing a wide range of casket sizes to be displayed with one truck. The additional length increases stability and makes an attractive appearance. Available in silver, bronze, gold, blue-grey or onyx finish.

Not compatible with drape frames or drapes.

Key Features

- Superior craftsmanship to maintain finish and allow for easy cleaning
- Stable x-frame to secure casket
- Suitable for grass or rough terrain
- Locks into four positions to allow for a range of casket sizes

Model 110 Showroom Truck

Product Overview

The Model 110 is a dual-duty truck that works as a showroom and utility truck. The polished aluminum frame is exceptionally strong and will look like new for years with minimal maintenance. Rubber tips hold caskets or rough boxes firmly in place while five-inch ball-bearing wheels roll over obstacles with ease.

Key Features

- Superior craftsmanship to maintain finish and allow for easy cleaning
- Rubber tips hold caskets and boxes in place
- Five-inch ball-bearing wheels easily roll over obstacles

Ferno Makes it Easy to Place Your Order

To locate the nearest distributor or sales representative in your area: Call 1-877-733-0911 or FAX 1-888-388-1349. A Customer Relations Representative will ensure that your requirements are met.

Terms of Sale

Government-Funded Agencies will be granted "Net 30 Day" Open Accounts by providing the following information:

1. Name of government agency
2. Telephone and FAX numbers
3. Billing address (must be domestic location)
4. Shipping address
5. List of authorized purchasers (if restricted)
6. Purchase Order number requirements

Payment may also be made using Federal SmartPay Credit Cards, which will be charged at the time your order is shipped.

Freight Policy/Shipping

All orders will be shipped by the most efficient and cost-effective ground transportation (UPS, DHL, truck, or USPS). Orders are shipped F.O.B. Wilmington, Ohio. Shipping charges are prepaid and will be added to the invoice. Airfreight or other special shipping arrangements can be made at the customer's request. Special shipping charges are prepaid and will be added to the invoice. Special-order and out-of-stock items will be back ordered and shipped as soon as possible; the customer will be notified of back orders. Partial orders will be shipped unless the customer provides other instructions. Additional shipping charges may apply to oversized items

Returning Merchandise

Ferno-Washington, Inc. reserves the right to refuse any unauthorized return shipment. Buyer must obtain a RMA (Return Material Authorization) number from Ferno-Washington, Inc. prior to return. Ferno-Washington, Inc. reserves the right to charge a 20% restocking fee on all return shipments.

Damaged Goods Claims

All claims for merchandise that is damaged during transit must be made by the customer directly to the carrier within 10 days of receipt of goods. Please save all boxes and packing material until you have filed your claim.

Disclaimers

Latex Content: Ferno relies on product information received from manufacturers and can accept no liability for misinformation or for changes in product content. Ferno strongly recommends that customers read all product labels for latex content information before using the products. **Product Changes:** Ferno reserves the right to change product specifications, price, and availability without notice.

Limited Warranty

For 55 years funeral home professionals have relied on Ferno products because Ferno stands behind its products. Ferno-Washington, Inc. warranties all mortuary equipment (see limited warranty below) to be free from defects in material and workmanship for a full two years, the longest in the industry. Under this limited warranty, Ferno will repair, replace or refund the purchase price of any Ferno piece of equipment as Ferno deems appropriate.

Ferno Mortuary products are warranted to be free from defects in material and workmanship for a period of one year, except as follows:

- External finishes (gelcoat, paint, powder coat, decals, etc.) are warranted for 90 days.
- Soft goods (webbing, vinyl, fabric, foam, etc.) are warranted for 90 days.
- Mortuary products (except for hydraulic parts and soft goods) are warranted for 2 years.

Ferno repairs are warranted for 90 days from the date of repair. This limited warranty applies only when you use and care for the product as described in the instructions provided with the product. Improper use and care may void this warranty. The warranty period begins the date the product was first purchased by you as the original end-user or the date you as the original end-user receive it if you have proof of the delivery date. The limited warranty is not transferable or assignable in any manner. Shipping charges are not covered by this limited warranty. Ferno is not liable for shipping damages or damages sustained through using the product.

Non-Ferno products sold by Ferno retain the product manufacturer's original warranties and guarantees. Such warranties and guarantees, if any, are solely those of the product manufacturer. Ferno offers no warranties or guarantees of any kind additional to those of the product manufacturer, nor does Ferno assume any liability for products manufactured by others.

Limitation of Liability

If a product is proven defective, Ferno will repair or replace it, or, at its option, refund the item's purchase price. In no event is Ferno liable for more than the selling price of the product. The purchaser accepts these terms in lieu of all damages. Except for the limited warranty above, Ferno makes no other

warranties, either expressed or implied. Ferno makes no implied warranties of merchantability and fitness for a particular purpose for its own product or for the products of others. In no event will Ferno be liable for any indirect or consequential damages sustained in connection with the delivery, use, or performance of its products. Under breach of limited warranty, any legal action for breach of the limited warranty must be filed within one year of the date the breach occurs or should have been discovered.

Limited Warranty Claims and Disputes

Contact Ferno Customer Service promptly if you receive a product from Ferno that you suspect is defective. A representative will assist you with the claim procedure. Before sending any product to Ferno, obtain a return authorization number from Ferno Customer Service.

Support

If at any time you require additional information, need technical specifications, have repair or maintenance questions or need any other information about our products, contact our Technical Support Department by calling 1-800-733-3766 or by emailing us at support@ferno.com. We have knowledgeable, dedicated Technical Support staff available to assist you regarding any question that you may have about your Ferno product.

Service

Ferno provides a number of service options to mortuary customers to aid in maintaining their Ferno products. Preventive maintenance, maintenance service and repair service is available nationwide through EMSAR, Ferno's authorized service provider. Skilled EMSAR service technicians operating from service centers across the country will come right to your location.

Maintenance

In addition to providing repair services, EMSAR also provides preventive maintenance services for Ferno products. Prepaid preventive maintenance contracts are available that include biannual or quarterly cleanings, complete inspections and preventive maintenance checks and service all for one low fee. Call us at 1-800-733-3766 or email info@ferno.com for more information and a quote for your service.
